

Policy Statement on Safeguarding

- Every person has a value and dignity, which comes directly from the creation of people in God's image. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.
- We commit ourselves to nurture, protect and safeguard all our members, particularly children, young people and vulnerable adults.
- We recognise that safeguarding is the responsibility of the whole church.
- We undertake to exercise proper care in the selection, appointment, training and support of those working with children or vulnerable adults.
- We will respond without delay to concerns or allegations that a child or vulnerable adult may have been harmed, cooperating fully in any investigation.
- We will challenge any abuse of power by anyone in a position of trust.
- We will seek to offer pastoral care to anyone who has suffered abuse.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.
- We have adopted the policies 'Promoting a Safer Diocese' (2018) and the House of Bishops 'Promoting a Safer Church' as well as our own 'St Nicholas Cole Abbey Centre for Workplace Ministry Safeguarding Policy'.
